TWO EVENTS FOR BETTER HR AND T&E

SAP Payroll/HR Breakfast: 08:30–10:00

Join iProCon for a Payroll breakfast on how to make your SAP payroll, safer, more efficient and user friendly.

- Payroll process best practices; tips to optimize your payroll processes, including using SAP standard tools for reconciliations, variance reporting and payroll exceptions
- Live Demos of iProCompare to protect the validity of your Payroll configuration, and iProSim to simulate Payroll affected changes such as working times or salary changes, with no master data changes required!

Concur Workshop: 10:30–15:45

Spend the day with iProCon and Concur taking a look at Concur's innovative Travel and Expenses solution, and see how the streamlined and inventive solution can transform T&E processing for your company.

Sessions topics including

- 'Concur: So Much More than just replacing SAP Travelmanagement'; how Concur's integrated Travel and Expense tools provide more than just a comparable replacement for your SAP Travel Management module
- Concur Travel, Expense and Reporting product demos
- 'Successfully implementing Concur T&E Globally: Lessons from the Trenches' from iProCon Concur implementation projects, and top tips for your own implementation
- Integrating Concur with SAP Financials, HR and Payroll
